CLASSICAL MUSIC CONCERT

VISUAL ART

LIGHTING THE DARK

Josefina Urraca | **piano**

Mizuko Kaji | **set designer**

CreArtBox presents a piano recital that combines classical repertoire alongside new pieces by Queens composers, finding a connection between the old and the new music, surrounded by an interactive space, with video mapping and projections design.

The set design will be created by Japanese architect Mizuko Kaji where the semi-transparent screens will be interconnected on stage, in order to achieve a spatial sensation where sound, images and lights merge into a single universe.
